# INVITATION

Dear Colleagues, Dear Friends,

It is our great pleasure to invite you to **ALGOS 2025**, which will take place from **September 25<sup>th</sup> to 28<sup>th</sup>** on the beautiful island of **Rhodes, Greece**.

This **International Symposium** is organized by the **Hellenic Society of Pain Management and Palliative Care**, in collaboration with **ESRA Hellas** and the **A' Anesthesiology Clinic, Pain and Palliative Care Center, University of Athens**. It is **endorsed by WIP**.

Building on the success of previous meetings - **ALGOS 2002** in Santorini, **ALGOS 2009** in Mykonos, **ALGOS 2013** in Kos, and **ALGOS 2017** in Rhodes - **ALGOS 2025** promises to be another exceptional event.

Our goal is to deliver an **outstanding scientific program**, featuring renowned specialists from around the world, to advance **education in Pain and Palliative Medicine**. Beyond the scientific sessions, a rich social program will offer participants the opportunity to network and experience the stunning beauty and cultural heritage of Rhodes.

**Rhodes**, the largest of the **Dodecanese islands**, is a crossroads of three continents—**Europe, Asia, and Africa**. Known as the **island of the sun**, it is a land of striking contrasts, where medieval history, tradition, and modern life coexist harmoniously. We hope you will take the time to explore its many treasures.

The **Organizing and Scientific Committees** warmly invite you to **join us in Rhodes** to share knowledge, exchange ideas, and contribute to the success of this significant scientific event.

**We look forward to welcoming you in Rhodes in September 2025!**
